

LittleLife Clownfish Poncho Towel ◀◀◀

These towels for kids are made from quick-drying softfibre fabric which the maker say dries up to eight times faster than standard towels. It is lightweight, compact, and comes in various animal designs. The hood and underarm poppers turn the towels into wearable outfits. The fabric is rated UPF 50+ to exclude harmful sun rays. The towel measures 70 x 60cm, weighs 200g, is suitable for ages 3+ and costs £17.
